SUBMISSION OF SUBSTITUTE INVENTOR'S DECLARATION

Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

Submitted herewith is a copy of a substitute declaration for this continuation application. The application was filed under 37 CFR 1.53(b). A copy of the declaration in the parent application, Serial No. 09/747,241, was intended to be filed with the continuation application. However, through error, a photocopy of a declaration from a different patent application owned by the assignee, was submitted with the Rule 1.53(b) filing.

The attached declaration copy is a photocopy of the declaration from the parent application, Serial No. 09/747,241.

Applicant is submitting herewith a request for correction of the official filing receipt, whose data was apparently based in part on the incorrect inventor's declaration copy.

Respectfully submitted,

Larry K. Roberts
